The Inner Wheel global cause: Orange the World 2026

Dear National Representatives and Board Directors,

Thank you for your vital assistance in forwarding this message to the newly elected officers within your respective regions and non-districted clubs. Your leadership and support in connecting our global network are deeply appreciated.

Dear Club Presidents, District Chairmen, National Presidents, and all dedicated task team members worldwide,

Warmest congratulations on your election and assignment for leadership in the Inner Wheel year 2026–2027!

This is your special year. We wish you and your teams every success as you champion the values and causes of Inner Wheel. May your initiatives bring joy, inspiration, friendship, and meaningful impact to communities around the world.

Our Global Commitment: Orange the World

We are a group of Inner Wheel volunteers from several countries called the **Inner Wheel UNiTE Team**, formed to guide and support you. Since 2024, we have coordinated Inner Wheel members across the globe. Inner Wheel members showed the power of our global sisterhood and stood united in supporting the UN Women-led "**Orange the World**" campaign—a global movement to end Violence Against Women and Girls (EAWG). As a Roster Member of UN ECOSOC, Inner Wheel proudly joins organisations, governments, and communities worldwide in support of this vital initiative.

The "**Orange the World**" campaign takes place annually from **25 November** (International Day for the Elimination of Violence Against Women) until **10 December** (Human Rights Day). During these *16 Days of Activism*, people around the world unite to raise awareness and spark real change.

We warmly invite your Club, District, and National Governing Body to participate in the **Inner Wheel "Orange the World" 2026** campaign.

Four Focus Themes for IW Orange the World 2026

The IW UNiTE Team has developed a strategy for your local activities, built around four key themes:

- **Collaboration Locally:** Building strong partnerships within communities.
- **Education and Involving Young People:** Fostering awareness early, because they are our future and where real change begins.
- **Including Men as Allies:** Working together to create safer, more respectful environments for women and girls.
- **Reaching Beyond Inner Wheel:** Utilising your networks and community connections to maximise our impact outside our traditional circles.

 **Campaign Resources:** Detailed project ideas, resources, inspiration, and updated information can be found on our dedicated website: www.iw-orangetheworld.com.

We are also thrilled to introduce our new **Facebook page "IW For Her Safety"**, which we will actively use to publish activities, share inspiring stories, and connect Inner Wheel initiatives globally. Please share your activities, photos, and ideas so we can inspire one another and demonstrate the global impact of Inner Wheel.

Building on Our Momentum

Seeing Inner Wheel members across the world walking and running together for a common cause was one of the most inspiring highlights of the 2025 campaign. Let us build on that incredible momentum and make our 2026 runs and walks even bigger, more visible, and more impactful!

With warm regards and in Inner Wheel friendship,

Anita Meerdink
Coordinator, IW UNiTE Team

A Final Note of Thanks:

Our sincere gratitude once again to the National Representatives and Board Directors for ensuring this invitation reaches every corner of your Inner Wheel community, in whatever means possible.

Thank you for your dedication to this cause.
